SIR,

I have the honor to state that there is a Slaughter-house in Mondy Mohalla for sheep and goats and used to be supervised by one of the Sayer Office peons. Under this arrangement, there was a falling off in the income and a responsible man was appointed as a temporary measure to look after the work from the beginning of the last year. Since then, there has been an increase of Rs 1000/= though Plague was very bad in the city. Therefore it is proposed that a Darogah on a monthly salary of Rs 10/= may be per-
-manently employed for the purpose.

The Board approved of the proposal. A copy of their resolution to-
-gether with a copy of the Vice President's proposition memo is submitted

herewith

herewith for reference.

I request, therefore, that you will be good enough to obtain the sanction of the Government for the same. Provision will be made in the Supplemental budget for this additional charge.

I have the honor to be,

Vice Presidents memo

There is a Slaughter house in Mondy Mohalla which was superseded by one of the Mayor office peons. As the income from it was reduced, one Syed Ghouse employed as Registrar of births and deaths was put in charge of this from the beginning of the last year. Since then, the income is on the increase His duties are to be present at the Slaughter house and take note of Sheep and goats as they are taken into the Slaughter-house and also see that the remaining ones are taken to the grazing ground and the same number brought back

in the evening to the city.

Though last year was very bad owing to the prevalence of Plague, yet there was considerable increase when compared to previous years. A statement showing the income of 4 years, is herein enclosed for perusal. If a responsible man is appointed to do this work, there is every probability of increasing the same. The present official has worked hard and shown increase and therefore it is proposed that the same man may be appointed as a Slaughter-house Daroga on a monthly pay of Rs 10/-

Referring to your no 5070 71 dated the 21st September 1901 and subsequent (SL 4-1) no 13301 dated 13th February 1902 requesting to report whether it would not be better arrangement to farm out the right to collect the Slaughter house fees, I have the honour to report that the right to collect the Sl house fees has always been farmed out. Current year's realization amounts to Rs 43: or at the rate of Rs 36/- per month

As the Octroi income was falling off owing to the work having been entrusted to a Peon, it was proposed in this office letter no 160 of 21st August 1901 appoint a Daroga to ensure better Supervision and this was accordingly sanctioned in Government Proceedings no. under reference.

Sir,

With reference to your No. 1810 2 / £712-01 dated 13th May 1902 requesting to state clearly whether the words "Octroi income" occurring in para 2 of this office letter No. 768 dated 4th April 1902 is intended to mean slaughter house fees and if so what occasion there is for entertaining a peon or Darogah and how the fee collection diminished under the supervision of the peon when the right of collecting the said fees was being farmed out every year, I have the honor to state that by the words "Octroi income" ...

the octroi duty levied on each head of sheep imported into the Town for consumption. This levy of octroi was first being superintended by a peon and this practice was found to be unsatisfactory and the literate Darogah who now has charge of this levy was employed and this measure has proved remmunerative

In addition to the octroi duty on persons slaughtering sheep have to pay a slaughter house fee at the rate of 2 pies per head. The right of collecting this fee is being farmed out every year
